

my phone is for emergency use only ineed it for my medical problems
and dont need to b stressed out on getting unnecassry calls to b
buying crap i cant afford due to im on a fixed income if i want to
buy whatever they sell out there i can do it without being corced
in doing so or baggered i like the laws on the do not call list i
dont get 10 or more unnessary calls that make me shut my phone off
unplug it just so i can have peace of mind since i a have mental
issues ty for your attention to this request to leave it b
